

Seasonal Outreach Activities

Sacred Heart offers its parishioners several outreach programs that are seasonal in nature, operating only during certain times of the year. Watch *Spires* and listen to announcements at church for more information as these seasonal activities approach.

Thanksgiving Baskets

Each year at Thanksgiving, Sacred Heart offers food baskets or grocery gift certificates to families in need. Monetary donations are welcome to help pay for this ministry.

Christmas Giving Tree

During Advent, Sacred Heart has a "Giving Tree", decorated with paper ornaments. On each ornament is written an item for a needy person. Parishioners take an ornament, purchase the item, and return it wrapped as a gift with the ornament as a gift tag.
