

## Social Committee

The mission of the Social Committee is to help form community at Sacred Heart. We do this through social events, open to all parishioners, at which they can come together to have a good time and to get to know one another better. We also host periodic receptions for special events such as First Communion and the Easter Vigil.

There are two ways you can be part of the Social Committees' activities:

1. *Be a member of the committee.* Committee members meet periodically to plan each event. Each member is responsible for one or more facet of each event (e.g., decorations, getting food, and clean-up) and all are on-hand to make sure that everything runs smoothly.

Current committee members: Catherine Arey, Fran Carroll, Lori Conti, Jennifer Damiani, VyVy Lee (co-chair), Bella Ann Mick, Jean Moore, Mia Pond, Jack Stenger, and Danielle Thompson (co-chair).

2. *Volunteer to help for a particular event.* This could include bringing sandwiches or a dish, setting up before hand, securing entertainment, or cleaning up afterwards.

We are also interested in any ideas parishioners may have for social events.
