

## Wedding Guild

The Wedding Guild is a group of parishioners who direct weddings held at Sacred Heart. The guild member consults with the bride about two weeks before the wedding concerning the logistics of the wedding day, focusing on the couple's wishes as well as the unique requirements of a Catholic wedding. The Guild member assists the priest at the rehearsal and provides a helpful presence for the wedding party on the day of the wedding. Each member signs up for as few or as many weddings as his or her calendar permits.

A typical wedding requires one or two phone calls and attendance at both the rehearsal on Friday evening (about one hour) and the wedding on Saturday (approximately two hours). One need not be an etiquette expert to be a member of the Wedding Guild; a guild member will be present with you and offer guidance for you at all weddings until you feel comfortable taking the lead.

A love of happy occasions and a sense of humor are recommended.
